Internal Revenue Code: Section 501(c) (4)
Form 990 Required: ☒ Yes ☐ No
Accounting Period Ending: December 31

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under the provisions of the Internal Revenue Code section indicated above.

Unless specifically excepted, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$50 or more to each of your employees during a calendar quarter. And, unless excepted, you are also liable for tax under the Federal Unemployment Tax Act on remuneration of \$50 or more to each of your employees during a calendar quarter if, during the current or preceding calendar year, you have one or more employees at any time in each of 20 calendar weeks or pay wages of \$1,500 or more in any calendar quarter. If you have any questions about excise, employment, or other Federal taxes, please address them to this office.

If your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your exempt-status. Also, you must inform us of all changes in your name or address.

The block checked at the top of this letter shows whether you must file Form 990, Return of Organization Exempt From Income Tax. If the Yes box is checked, you are only required to file Form 990 if your gross receipts each year are normally more than \$5,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file the return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

As a social welfare organization, contributions to you are not deductible by donors. You should advise your contributors to that effect.

Sincerely yours,

Gerald G. Portney
District Director

2. Number. The number of Directors on the Governing Board shall not be more than twenty-five (25) during the first year of the Council's existence. Thereafter, such number may be increased or decreased from time to time by amendment to these by-laws as specified in Article VIII hereof, provided, however, that the number of Directors comprising the Governing Board shall never be reduced to less than three (3), and provided, further, that no reduction in the number of Directors shall have the effect of shortening the term of any Director in office at the time such amendment becomes effective.
3. Residence. Directors of the Governing Board need not be residents of the District of Columbia.
4. Tenure. The Directors elected to the Governing Board during the first year of the Council's existence shall serve one-year terms and be eligible for re-election to additional terms. Thereafter, tenure of Directors may be increased or decreased from time to time by amendment to these by-laws pursuant to Article VIII hereof.
5. Election of Directors. The Directors elected to the Governing Board during the first year of the Council's existence shall be elected by a majority of the Governing Board in office by a vote which may be taken at a meeting or by mail. Thereafter, procedures for election of Directors may be adopted or altered from time to time by amendment to these by-laws pursuant to Article VIII hereof.
6. Termination of office of a Director; election of successor or new Director. The tenure of any Director of the Council shall automatically terminate upon the effective date of his or her resignation submitted in writing to the Governing Board, upon his or her death, or upon a vote at the time to remove him or her from office. Any vacancy occurring in the Governing Board shall be filled by the majority vote of the remaining Directors, which may be taken at a meeting of the Governing Board or by mail. A Director elected to fill a vacancy in the Governing Board shall be elected for the unexpired term of his or her predecessor in office. Such successor shall, upon assuming office as a Director, be subject to and governed by all the provisions of these by-laws. In the event the number of Directors is increased by amendment to these by-laws, the additional Directors shall be subject to and governed by all the provisions of these by-laws.
7. Decisions by the Governing Board; quorum for meetings. A quorum for the transaction of business by the Governing Board shall be one-third of the total number of Directors of the Governing Board in office at the time of the meeting. In the absence of a quorum, a majority of those Directors present may adjourn the meeting. The affirmative vote of a majority of the Directors present and voting at a Governing Board meeting at which a quorum is present shall be necessary and sufficient to the making of decisions by the Governing Board, except:
 - (a) as a larger vote at any time be otherwise specifically required by these by-laws, and

(b) as the vote of a greater number or proportion of the Governing Board is, or may at any time be required by the Nonprofit Corporation Act for the taking of specific actions.

Decisions made in accord with the above provisions shall be the act of the Governing Board for any and all purposes.

8. Meetings

(a) In general. Except as otherwise provided in these by-laws, decisions of the Governing Board shall be made at duly constituted meetings. Regular meetings may be held either within or without the District of Columbia, and shall be held at such times and in such places as the Governing Board may by resolution determine in advance. Special meetings shall be convened at the request of the Chief Executive Officer of the Council, and shall be held at the time and place (either within or without the District of Columbia) as shall be specified in such request.

(b) Notice. Both regular and special meetings of the Governing Board, or any change in the time or place thereof, must be preceded by written notice thereof to each Director. Such notice shall specify the date, time, and place of the meeting, but need not specify the purpose for the meeting or the business to be conducted. Such notice must be given not less than two, nor more than thirty, days prior to the meeting date, and must be either delivered personally to each Director or mailed (including the sending of a telegram) to him at his business address. If such a notice is given by mail, it shall be deemed delivered when deposited in the United States mail, properly addressed, and with postage prepaid thereon. If such notice is given by telegram, it shall be deemed delivered when the content of the telegram is delivered to the telegraph company.

Notwithstanding the foregoing requirements, a Director may waive notice of the time and place of any regular or special meeting. Attendance at a regular or special meeting shall constitute a waiver of notice, except where the Director attends a meeting for the express purpose of objecting to the conduct of business on the ground that the meeting was not lawfully called or is not lawfully convened. A written statement filed with the Governing Board by any Director either before or after a meeting is held, which recites knowledge of date, time, and place of such meeting and specifically waives notice thereof, shall be considered effective to dispense with the requirement for prior written notice to such Director.

(c) Action by Governing Board without Meeting. Any action or decision required or permitted to be taken at a regular or special meeting of the Governing Board may be taken or made without the convening of a formal meeting, provided all members of the Governing Board so consent in writing and set forth in the same writing the action or decision to be taken or made. Such consent and writing shall have the same force and effect as a unanimous vote, and may be described as such in any document executed by the Council.

9. Compensation. Directors of the Council shall receive no compensation for their services but, by resolution of the Governing Board, may be reimbursed for expenses paid while acting on behalf of the Council. Upon written request of any Director of the Council, the Treasurer is authorized to reimburse said Director his or her reasonable out-of-pocket expenses incurred while acting on behalf of the Council, where such expenses are not otherwise reimbursed by the Director's business, organization, or agency.
